

Application Questionnaire

Applicant Name _____

Tell us about yourself & what has attracted you to the Tiny Timbers Agrihood Community? _____

What are your hobbies/Interests? _____

What skillsets would you be able to bring to this community? _____

What is your experience level with gardening, canning preserving foods, bees, chickens etc? _____

Do you already have any ideas for this community that you'd like to discuss the potential to implement or activities you'd like to see expanded up on in the future?

What aspects of community living may be hard for you to adapt to? _____

Do you tend to have strong opinions about many subjects that may be a barrier for collaboration? _____

Do you have any concerns/apprehensions about going tiny or living in a community setting? _____

Do you feel confident you will be able to keep the area around your home neat and orderly as well as helping to keep the common spaces looking nice? _____

How many years (if any) have you spent in an upper Midwest climate? _____

Do you have any allergies and/or sensitivities that your fellow residents should know for pot lucks, bee stings etc? _____

What is a fun fact about you? _____

Do you currently own your own certified tiny home? If so tell us about it. If not tell us what builder(s) you are considering and do you have a certain size and style tiny home in mind (loft or main level bedroom) etc. _____

Please keep in mind (for safety) those considering loft bedrooms are encouraged to consider reserving space in the open areas or young tree growth areas (primarily spaces 10-16) or at least viewing your space first to make sure you are comfortable with your home style and location selections.

***some of the answers (with your approval) will be used for the community roster if you move in.**
